- Domestic - Sales volumes of toilet paper rolls and healthcare products increased.
- Sales volumes of functional films, facial tissues, and liquid-packaging cartons decreased.
- Despite the impact of soaring raw materials and fuels prices, the effect of product price revisions was realized. As a result, net sales and operating income increased.
- Overseas
- Opal recorded lower sales and earnings year-on-year, mainly due to lower sales volume following the withdrawal from graphic paper business.
- Nippon Dynawave Packaging (NDP) recorded higher sales and earnings despite lower sales volume, by the contribution of product price revisions.
